

- Ordering Instructions - Adelaide Hills Visitor Guide 2018-2019

Tourism operators, visitor information outlets and event organisers can order copies of the Adelaide Hills Visitor Guide at no cost through the SA Tourism Commission's contracted distributor winc. (formerly known as Staples).

Instructions:

- Email Samantha Gill from winc. at samantha.gill@winc.com.au and request a Username and Password to order SA Tourism Commission brochures. You will need to give your business name and sector (e.g. accommodation, attraction, winery, tour operator, event) so you receive the correct login details.
- Once you have received the above, visit www.winc.com.au
- Type in your Username and Password to enter the site.
- Search for Adelaide Hills and the guide will come up.
- Place your order - note there are 56 copies per box and you are ordering the number of brochures you want, not the number of boxes. For example, if you want two boxes, type in 112.
- If you are having trouble placing your order or have any queries, please contact the winc. customer support team on 13 26 44 or call the account manager Samantha Gill on 8243 8042.

For first-time orders, start with one box to get a feel for how quickly you will go through them.

For one-off and bulk orders of Visitor Guides (e.g. for a conference), please email the order details to Gabriele Zilinskas from the SA Tourism Commission at Gabriele.Zilinskas@sa.gov.au (preferably two weeks in advance of required delivery date).
