RE:
gathered

Adelaide Hills
COUNCIL

FABRIK | design

The poster features a green and white color scheme with abstract geometric shapes and a pattern of green circles on the right side.

HERE'S THE PLAN

We've put the word out about RE:gathered to our combined networks, inviting them to come to Lobethal and support the local businesses affected by the bush fires.

We are inviting visitors to come and eat, drink and shop local - so far 1,200 people have shown interest in coming along.

We aim to fill Mill Square with your stalls, showcasing your produce, your artisan wares or your small- business. To compliment the already full-of-stalls former market building,

This is an opportunity to reconnect as a community and take part in a chance to regenerate economically.

As well, we are planning a special RE:gathered Guide - a map of Lobethal Main Street businesses also participating in the event by way of special offer or by hosting a workshop (that we can organise for you).

Where: Fabrik,
Mill Square, Building 21 + Laneway,
Old Woollen Mill Lobethal

Costings:

- ♥ Free stall hire for local businesses on Mill Square.
- ♥ Entry fee by donation to the CFS for visitors on the day.
- ♥ If space allows, Fabrik will hire spare stalls in Mill Square to creatives in our networks with 100% of hire fees donated to registered bush fire recovery charities.

Stalls spaces are limited and will be curated to ensure a balanced showcase.

NEXT STEPS...

Register your interest

*Please email: **fabrik@ahc.sa.gov.au***

*by: **5pm Monday 20 Jan***

Please include:

- ♥ ***Some info about your business***
- ♥ ***Any stall requirements***
- ♥ ***If you would like to share a stall***
- ♥ ***Which days you can take part***

...after that, we'll be in touch ASAP
