

THINK BEFORE YOU PRINT

Great care begins here

DID YOU KNOW?

**1 REAM
OF PAPER**
= **6% OF A
TREE**
AND
**5.4KG
CO₂ IN
THE
ATMOSPHERE!**

**3 SHEETS OF
A4
PAPER**
= **1 LITRE OF
WATER!**

Here at Bundaberg Tourism, we have an 'essential only' printing mindset. Before sending anything to print, ask yourself, can I read from the screen or use IT tools to manage how I work?

If you need some guidance on the technology available to support you in reducing the amount of paper BT uses, please contact Loni or Katherine.
