FRANKSTON'S STREET ART

Frankston city is an iconic street art destination showcasing some of the world's most celebrated street artists across the city's buildings and laneways.

The city has become a canvas of colour and movement, harnessing the power of art to shape the world we live in and how we experience it.

How you choose to experience the city's artwork is up to you. Take a self-guided Digital Walking Tour, book into a guided Street Art Walking Tour or stumble upon the artworks and scan the QR codes to learn more as you make your way around the city's laneways.

Take photos and share your experiences
