- I am expected to interact with the community by way of workshops, demonstrations, or similar (cost per day at my discretion) to share my skills and knowledge with the public at least once per week for the duration of my stay.
- I understand that the venue is unsuitable for children or pets.
- The Shire of Narrogin strongly encourages a running exhibition of my works during my stay.
- I also understand that the Shire of Narrogin will take a 15% commission from any sales through the station gallery.
- Upon completion of my residency period, **I will ensure that all the linen, including towels and kitchen cloths, are washed, dried, and neatly folded and placed on the bed** (laundry facilities including washing machine and dryer provided at artist in residency)

The Shire of Narrogin is unable to provide Public Liability Insurance cover for Artists-in-Residence unless you are acting in an unpaid voluntary capacity on behalf of the organisation. The Shire of Narrogin suggests you seek independent professional advice as to your liability while conducting workshops or other activities on a fee for service basis.

By submitting this application, you agree to the terms and conditions stated in this document, and you declare that you are mentally and physically fit to undertake the residency, whether in the development of new work, acceleration of artistic practice, market opportunities, collaboration, or cultural exchange.
