

# GOVE PENINSULA IN THREE DAYS

If you don't have your own vehicle, it is highly recommended you hire a 4WD to get around. There is so much to see and do in East Arnhem Land and having your own transport will be well worth it!

There are many accommodation options available, from a luxury retreat to camping under the stars. Wherever you stay, you'll get a good night's rest to make sure you are ready for your next day of adventures!

## DAY 1 - NHULUNBUY AND SURROUNDS

Rise early and head to Gayṇaru Wetlands, also known as Town Lagoon, to catch the sun rising over this tranquil wetland and the abundance of native wildlife waking up with the warmth of the sun. There is a three kilometre return walking trail that takes you on a journey following the edge of the wetlands. There's plenty of interpretive signage, viewing platforms and a bird hide – if you are lucky you might even get to spot a crocodile from one of the viewing platforms!

Pick yourself up some breakfast from one of the local cafes and then jump in the car and head 15 minutes out of Nhulunbuy to the world-renowned Buku-Larrṅgay Mulka Art Centre in the Yolṅu community of Yirrkala. Spend an hour or two browsing the large range of inspiring artworks including bark paintings and larrakitj (memorial poles), yidakis (didjeridu), screen printing and fibre art, as well as the fabulous museum rich with Yolṅu history. If you have some spare time, check out the memorial located at the Yirrkala Boat Ramp that is dedicated to the Yolṅu men and women who served in World War II.

## Highlights

- \* Immerse yourself in Yolṅu culture and art
- \* Explore pristine landscapes
- \* Discover Banubanu's tropical island paradise
- \* Have a hit at Australia's Top Golf Course
- \* Catch that once in a lifetime fish

Head back into Nhulunbuy for lunch stopping along the way at the Roy Marika Lookout located at the summit of Nhulun. This lookout is a sacred site of great significance to Yolṅu and is the hill from which the Nhulunbuy township gets its name. Learn about the history of the region and the Yolṅu story of the spirit man Wuyul at the top of the lookout, from which you will enjoy panoramic views of Gayṇaru Wetlands, the Nhulunbuy township and the pristine surrounding coastline.

Visit the locals' favourite Gove Boat Club for afternoon drinks and dinner to end the day. Nhulunbuy is the self-proclaimed sunset capital of Australia and this is one of the best places to sit back, relax and take in the vibrant colours of a typical East Arnhem Land sunset! Arrive by 6pm in the wet season (November to April) and 5.30pm in the dry season (May to October) to ensure you get there in time to see the sky light up. The Gove Boat Club has a large outside grassed area looking onto the beach with picnic tables for you to enjoy your delicious meal from The Waterfront Kitchen while watching the sunset over Melville Bay.

## DAY 2 - BANUBANU BEACH RETREAT

Banubanu Beach Retreat is located on tropical Dhambaliya (Bremer Island) and is just a 15 minute charter flight from Gove Airport or approximately an hour leisurely boat transfer from Nhulunbuy. The Banubanu team run regular day trips to the island allowing visitors to have a day in absolute paradise.

Enjoy unguided bush walking trails, bird watching, beach-combing or even try your luck on a fishing charter. The Seabreeze Restaurant located at the retreat offers breathtaking views of the bay and you will often spot dolphins joyfully playing in the water while you enjoy a delicious meal or relax in the plunge pool!

Banubanu Beach Retreat also has eco friendly beachfront accommodation available and it is recommended to stay the night to really appreciate this slice of paradise if you have time! The accommodation is limited so if you are thinking of spending the night make sure you book in advance.

Arriving back to Nhulunbuy in the late afternoon freshen up and head to Latitude 12, the Walkabout Lodge's poolside restaurant, for dinner. Enjoy the local charm and treat yourself to a tasty meal and refreshing cocktail.
