Experience the tastes from our local artisans

A stunning duo of border towns, Echuca Moama are the closest points on the Murray River to Melbourne - just a short two and a half hour drive.

Home to a melting pot of events that showcase our extraordinary music, food and wine experiences across our region from the Mt Camel and Heathcote Wine regions, the Gateway to Echuca Moama, through to the Perricoota Wine region, one of Australia's most recent and fastest growing wine regions.

Echuca Moama is the most popular food and wine destination along the Murray River adored by locals and a perfect escape for city dwellers.

What sets this riverside community apart is a unique mix of ingredients exclusive to this native land: the mighty Murray; the river redgums; the historic port and paddlesteamers; fertile soils, award winning wineries, first-class eateries; funky bars; warm sunny days; accessibility and a mellow, country-town vibe.

Echuca Moama is a food and wine lovers paradise and offers you the perfect escape to unwind, relax and reconnect.
