

Frankston Street Art

An iconic street art destination, Frankston City is a canvas of colour and movement. See how some of the world's most renowned street artists have harnessed the power of art to shape how we experience the world now and into the future.

An evolving story that transcends generations, sparks conversations and nurtures quiet contemplation, how you choose to experience Frankston's street art is up to you.

Use this map to navigate the streets and uncover the artworks at your own pace. Scan the QR codes at each location to learn more about the artists and what inspired them.

For an unforgettable and immersive experience, book into the City's national award-winning guided walking tours and hear the stories that you won't find written down.
