FIND YOUR WAY

Follow the colour coded paint splash on the map to locate the artworks throughout Frankston City on each page.

Explore over 30 artworks throughout Frankston City. With hidden Street Art around the malls, in the back streets, laneways and walls.

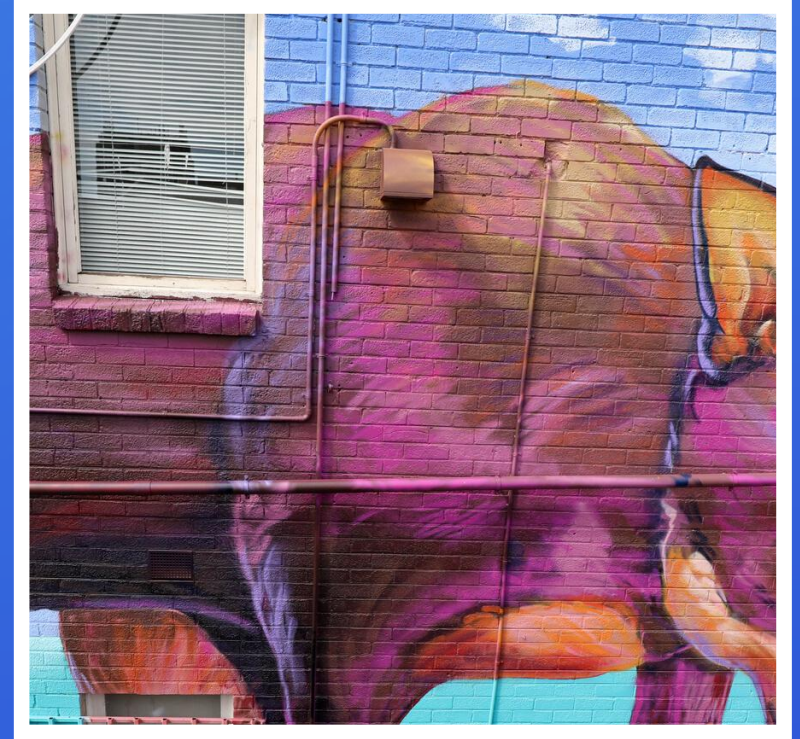

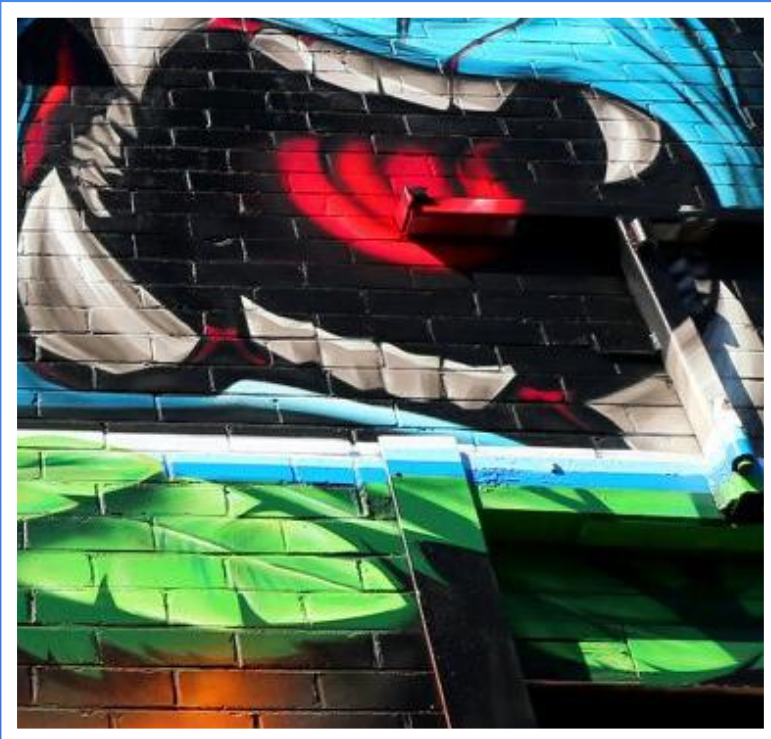

Please ensure children have adult supervision and take care around roads and car parks.

EYE SPY

Eye spy with my little eye, images hidden in the walls, by the Library and near the malls!
Keep your eyes peeled while you complete this book, and write the street names as you look!

FEARLESS

Melbourne's Murals

The artist chose a lion to remind us to be fearless.
Can you find our furry fearless best mate?

Tell us about a time you felt fearless?

A large white rectangular area intended for users to write their responses to the question above.

GRAFFITI INSPIRED

MAP

PichiAvo

A fun, colourful artwork painted by two Spanish artists, they like to mix graffiti-style and sculpture-like art.

The writing is on the wall. The word graffiti stands out among them all.
