

Operator Booking Engine

Dear Members,

The Kalbarri Visitor Centre is pleased to offer an upgrade for Platinum, Gold and Silver members – the Operator Booking Engine

If you are not already using an instant online booking system on **your** website, you can now link to the KVC at a reduced commission of **5%** and keep web traffic on your site.

### *Benefits*

- Implement a modern, responsive booking engine on your website
- Convert traffic into real-time bookings
- Manage your rates and availability from within your Bookeasy console – No extra fees for a Property or Tour Management system
- Add your own analytic/tracking pixel code.
- No need to worry about setting up an online payment gateway – This will be covered by KVC

If you would like to implement this, please contact the KVC as this is not an automatic upgrade.
