For couples who love a bit more adventure, jump on a jet boat ride with **Purple Thunder** or try wakeboarding at **Wake House Australia** for guaranteed laughs and memories.

In the afternoon, travel north to your coastal eco-accommodation at **Cape Hillsborough National Park**. On the way, stop into **Oh Deere Farm Stay** for an exclusive sunset tour, where you'll learn about life on the land and enjoy a grazing platter and drinks with a golden sunset over the dam. Don't forget a picture on the love swing!

DAY TWO

SUNRISE WITH THE WALLABIES

Set your alarms for a morning you'll never forget! Share a sunrise alongside friendly wallabies and kangaroos on the beach – a magical moment for two. Afterwards, wander coastal trails, spot turtles from scenic lookouts, and explore secluded natural rock pools at low tide.

Later, follow the winding road up the Pioneer Valley to experience the romance of the rainforest.

At **Eungella National Park**, perched amongst the clouds, you can enjoy peaceful walking trails, soak up lookout views at the **Sky Window**, and try your luck spotting the elusive platypus in the wild at **Broken River**.

Stay: Eungella Cabins

DAY THREE

WATERFALLS AND SUNSET SAILS

Wake up in the clouds and enjoy a slow, peaceful morning surrounded by mountain mist and birdsong. Then make your way down the valley to **Finch Hatton**, where romance meets adventure. Try a cooking class together, hit the mountain bike trails, or chase waterfalls at **Finch Hatton Gorge**. The rainforest walks, swimming holes and rock pools offer plenty of secluded spots just for two.

In the afternoon, return to Mackay and step aboard **Endless Day Private Charters** for a luxurious sunset sail. With a gourmet grazing platter, delicious canapés, and an on-board bar, it's the ideal way to toast the end of your romantic getaway – and start dreaming of your next visit.
