## ONKAPARINGA ARTS

We have one of the highest concentrations of artists per capita in South Australia. Galleries, studios, exhibitions, theatres, concerts, performing groups and festivals are an important element of our region's cultural life, with the Port Noarlunga Arts Precinct providing a central and vibrant hub for experiencing and generating creative expression.

The Onkaparinga Arts e-newsletter is delivered monthly to your inbox and highlights offerings supported by the City of Onkaparinga and presented by our Arts and Culture team.
