

**RICHMOND SHIRE COUNCIL
LATE AGENDA**

FOR

**ORDINARY MEETING
TUESDAY 18 JUNE 2024
COMMENCING AT 8:00AM**

Item 1. Reports for Consideration – Works

Item 1.1 Plant and Equipment Request – 2024/2025 – Tractor and Slasher

EXECUTIVE SUMMARY

The current tractor and slasher are old, and the current slasher has the cutting width at half the size of the new proposed slasher.

By purchasing this slasher, it will save time and personnel costs. TMR pay the rates on it per hectare. It is estimated that the machine can pay itself back within the next financial year.

Work productivity will be doubled and RMPC crew require it as we only have one machine, meaning that if it breaks down, it holds off any slashing works for weeks.

The recommended slasher is the Triple Rotor extra wide cutting width slasher.

OFFICER'S RECOMMENDATION

That Council: approve the tractor and slasher purchase.

Budget & Resource Implications

\$120,000.00 – Slasher

\$120,000.00 – Tractor

OFFICER'S RECOMMENDATION

Item 2.7 Sponsorship Request – Dustin Lanskey

EXECUTIVE SUMMARY

Dustin Lanskey recently completed at the Northwest Trials in Winton for Cross Country and was selected into the Northwest team. Dustin will be competing in Brisbane from 12-14 July 2024.

OFFICER'S RECOMMENDATION

That Council: approve the sponsorship request and discuss the future of sponsorship.

Budget & Resource Implications

\$250.00

Background

Dear Richmond Shire Council,

I am writing on behalf of my son Dustin Lanskey who recently competed at the Northwest Trials in Winton for Cross Country. Dustin was lucky enough to get selected into the Northwest Team again with winning his age group and doing a PB of 12.57 in Winton. He will be competing at Bald Hills just outside of Brisbane from the 12th to the 14th of July 2024.

All team members are required to travel independently to the championships which will be quite costly. Along with the travel component there are levy's, uniforms, accommodation and meals for the duration of the competition.

Travelling to state championships is such an amazing experience for kids from our small town of Richmond and it is something he tries so hard every year to make the qualifying times to earn his spot on the team. He learnt the hard lesson last year after still winning his age group but not making the qualifying times to be eligible for the team that he had to give it his all this year to make it, and he did.

His dedication and love of sport is what gives me the drive as a parent to take him to all the trials and to always follow through with the next level when he makes it.

I am writing to ask if you would be willing to consider helping financially support Dustin to travel to Bald Hills, Brisbane to represent Richmond on the Northwest Cross Country Team.

Any support is greatly appreciated, and I look forward to hearing from you.

Sherreen Johnston.
