

Animal Registration

In 2008 the State Government introduced the *Animal Management (Cats and Dogs) Act 2008*. Section 44 and 46 of this Act requires that animal owners microchip and register their dog with their Local Government Authority.

All dogs that are kept within the Richmond Shire Council area and are aged (3) three months or over must be microchipped and registered each year with the Richmond Shire Council. Registrations expire each year on the 30st September and must be renewed by 31st October.

Benefits of registration

It allows for quick and easy identification of your dog or cat should it be wandering at large. This allows Council to return your pet to you as soon as possible.

Note: Under the *Animal Management (Cats and Dogs) Act 2008*, it is a requirement to microchip your cat.

Dog registration fees

Registration fees vary according to the status of your dog and any concessions that may apply to the owner. These fees are set each year by the Council.

Council offers;

- Discounts for desexed dogs.
- Discounted registrations for puppies up to 6 months of age.
- Pro-rata registration.
- Reciprocal registration (free transfer from other councils).
- Discount for pensioners.

What you get for your registration fees

The Richmond Shire Council provides an animal management service to the community. This includes, but is not limited to;

- Providing a lost and found service for compliant owners.
- Responding to calls of wandering dogs and dog attacks to ensure community safety is upheld.
