Monday - Friday 8.20AM—5:00PM CLOSED SATURDAY, SUNDAY & PUBLIC HOLIDAYS

A MESSAGE FROM COUNCILLOR FOX

Council recently held its first meeting for the new term where our Councillors and Mayor took the Oath of Office. I personally would like to thank our past Councillors for their service and wish ex Deputy Mayor June Kuhl all the very best in her retirement. I look forward to working with the new team of Councillors and staff of Richmond Shire Council to continue to improve our community and the Shire.

Last week it was announced that the Richmond Multi Purpose Health Service will be upgraded. This is exciting news and I would like to thank Council, our Health Service staff and the Community Advisory Network for their lobbying.

Richmond Multi Purpose Health Service, Community Advisory Network (CAN) held its April meeting and received updates from the Nursing Director of Rural Services, who was visiting from Townsville. We also discussed provision of Speech Therapy for our school and received an update from the Advisory Council on their two priorities for the year. The outpatients system of Townsville Health and Hospital Service and services for the rural centres. If anyone in the community has any questions on the CAN, please do not hesitate to get in contact with me.

A big shout out to the volunteer committee and all those that made the recent Maxwellton Races such a great occasion. This is an important event on our calendar and it takes a small band of dedicated people who work tirelessly and extremely hard to support country racing and host an event that provides entertainment for the whole family.

I urge you to consider volunteering for our clubs and charities in our community. It does not necessarily mean taking on a committee or executive position. Becoming a member of a club, assisting for one or two hours or for the entire event makes a vast difference.

CR PATSY FOX
