A MESSAGE FROM COUNCILLOR KUHL

'The time has come the Walrus said, to talk of many things' – a bad quote to lead with, but it is time for me to say farewell to the Richmond Shire Council.

Back in 2008, I had a mad moment and thought, 'I could do this, I want to do something for my community', and I nominated for Council. I then felt very honoured that you voted for me, [and a mild sense of panic – what had I done?]

Here we are sixteen years later; eleven of those as Deputy Mayor, numerous portfolios, and committees, and I am saying farewell. Throughout these years, I have grown and learnt so much, and met and worked with some incredible people. I have found local government to be one of the most rewarding roles there is, even though, at the same time it can also be the most frustrating!

This has not been an easy decision for me to make, as we [Council] have achieved so much and there is so much more that we wish to achieve.

I am enormously proud of our community, and I have been pleased to be able to advocate and lobby for our Shire through the many and varied forums I have attended as a Richmond Shire Councillor and Deputy Mayor.

There have been many projects, achievements, and developments over the last sixteen years, and I am honoured to be able to look back and say, 'I was a part of that.'

With the planned developments throughout our

region, Richmond will thrive and grow, and steady, sustainable growth will mean a steady, strong community. There is an incredibly positive future ahead for Richmond and I will miss being part of the planning, and seeing it come to fruition.

To the Mayor, Councillors, and Staff, [past and present], whom I have worked with on this incredible journey, thank you for all the advice, assistance, and support.

To the candidates standing for election, I wish you the best, and I am confident in the strong leadership that is in place to guide you through your future endeavours.

My family's support has been invaluable, they have been understanding, patient, tolerant, accommodating, and flexible and I thank them.

In closing, I say thank you to the Richmond community, thank you for putting your trust in me, it has been an honour and a privilege to serve you.

Farewell,

Cr June Kuhl

Deputy Mayor
