

## Tourism Whitsundays Affiliate Booking Engine

Tourism Whitsundays are excited to offer members the Affiliate Booking Engine which allows you to take bookings for other products such as tours and/or accommodation through your website, whilst earning a commission on sales. The Affiliate Booking Engine will allow you to better service your visitors, capture a new revenue source and support your local region.

- ✓ Enhance your visitor's experience by promoting and selling the tourism products available in your local area
- ✓ Enable visitors to make real-time bookings via your website
- ✓ Strengthen your brand with a modern, customisable booking engine
- ✓ Earn commission on all bookings made
- ✓ Support your local tourism region
- ✓ No setup or ongoing costs
- ✓ Easy to implement

If you would like further information or would like to get started on setting up this gadget on your website, please contact [membership@tourismwhitsundays.com.au](mailto:membership@tourismwhitsundays.com.au) to book an appointment.

## Tourism Whitsundays Operator Booking Engine

Tourism Whitsundays are excited to offer to members the Operator Booking Engine which allows visitors on your website the opportunity to book your product in real time. The Operator Booking Engine allows you to better service your visitors whilst increasing your revenue capability.
