The Whitsundays, located in the Heart of the Great Barrier Reef and our southern neighbouring region Mackay has some of the most spectacular scenery on the Queensland coast. Soak up the sun on the pristine beaches, feel the freedom of sailing through 74 island wonders, catch our winter visitors, the majestic whales frolicking through the warm, calm waters of the Coral Sea. Enjoy the splendour of watching wallabies and kangaroos grazing as you enjoy a breathtaking sunrise over the Coral Sea at Cape Hillsborough.

There is so much to see and do throughout these incredible regions; explore more of what The Whitsundays has to offer. The secluded beaches surrounding Bowen, the northern jewel of The Whitsundays. Be sure to visit the tropical resort town of Airlie Beach, filled with delicious restaurants, bars, and specialty shops, the launchpad to some of the most amazing experiences on offer. Discover the heritage heart in Proserpine with its main street a reminder of how life used to be, to the charming outback town of Collinsville, a small town that makes up for its size with a huge country welcome!

A short drive south of The Whitsundays, you'll find the Mackay Region which offers incredible natural beauty, memorable wildlife encounters, fun-filled adventures and pure relaxation. Whether it's inland, on the coast or in the city, watch nature come alive. Find yourself surrounded with lush rainforest and the spectacular views of Eungella National Park. You'll be in awe of the majestic platypus swimming in the cool mountain streams of Broken River or cool off in the cascading waterfalls of Finch Hatton Gorge.

Now is the time to enjoy and experience the beauty of The Whitsundays and Mackay!
