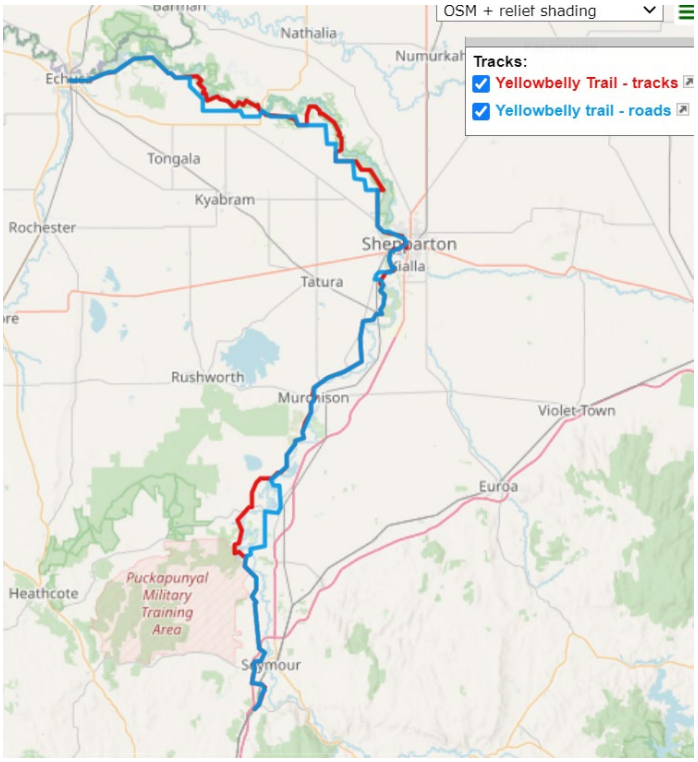
Yellowbelly Track

200 km bike route between Echuca and Tallarook following Goulburn River

- Via river tracks in National and Regional Parks and secluded gravel back roads whenever possible.
- Rideable now. Gravel width tyres recommended (30mm+, wider is better).
- Red “tracks” route is dry weather route, Blue “roads” route is all weather route.
- Riders should be experienced navigating by gpx file without internet, and riding self-supported in the bush outside mobile phone range.



For more information and to download the gpx files go to the Yellowbelly Track website
