# DINOSAURS COME ALIVE

1 JANUARY – 2 FEBRUARY 2020

## FIND THE DINOSAUR ICON ON THE TRAIL MAP BELOW.

Go to [visitfremantle.com.au/dinosaurs](http://visitfremantle.com.au/dinosaurs) for dinosaur kids activity opening times at Fremantle Library, Kidogo Arthouse, WA Shipwrecks Museum and Toyworld.

## THERE ARE TEN HUGE DINOSAURS TO FIND IN FREMANTLE AND THEY'RE INCREDIBLY REAL. FIND THE DINOSAURS THAT COME TO LIFE AS THEY MOVE AND ROAR.

Be sure to seek out each dinosaur and complete the answers to the questions below. Can you find them all? Where will you go first? Discover the roar-someness of each dinosaur!

### Parasaurolophus

Pioneer Reserve

Q: The Parasaurolophus had skin like a reptile, tough and scaly. However, this was not the case for all dinosaurs. Some dinosaurs were covered in?

A:.....

### Tyrannosaurus Rex

Kings Square

Q: The Tyrannosaurus Rex had a very large head. How large was it in meters?

A:.....

### Nano Tyrannosaurus

Fremantle Markets, Henderson St Mall

Q: Baby dinosaurs hatched from eggs. Some of the largest dinosaurs laid eggs weighing up to how many kilos?

A:.....

### Tyrannosaurus Rex

Fishing Boat Harbour, next to Cicerello's

Q: The Tyrannosaurus lived at the very end of the Age of Dinosaurs. How many hundred, thousand or million years ago was this?

A:.....

### Pteranodon (static)

WA Shipwrecks Museum

Q: Which dinosaur has the longest name?

A:.....

### Baryonyx

Esplanade Reserve

Q: Not all dinosaurs were huge like the Baryonyx. The smallest known dinosaur was the size of what animal known to man today?

A:.....

### Triceratops & baby (static)

Market St Piazza

Q: Triceratops was about the size of how many rhinoceroses?

A:.....

### Ankylosaurus

Fremantle Prison

Q: What colour was the Ankylosaurus?

A:.....

### Edmontosaurus

Clancy's Fish Pub Fremantle

Q: Was the Edmontosaurus a carnivore or a herbivore?

A:.....
