- 13 Chasney Estate
- 14 Lake Boga

# Lake Boga Region

Head south from Swan Hill on the Murray Valley Highway and turn left just before the lake down Lakeside Drive, stopping off at the Flying Boat Museum or one of the many spots around the back of the lake. Turn up McCabe Road and along Rob Roy Road and back onto the Murray Valley Highway via Fish Point Road. Use caution while driving on unsealed roads. Then make sure you stop at the Story Wall and old Steam Pump Engine. Use the second entry to Lake Boga township and check out the silo art and community garden, then down the main street; perhaps stop for a snack at the General Store or a counter lunch at the Hotel. Now down to Round Lake and back down Cemetery Road to visit the Tresco West Bushland Reserve and back to Swan Hill via George Road.

## 1 Flying Boat Museum

Under the guidance and dedication of the Lake Boga Lions Club, this remarkable museum takes us back to the 1940's, with a collection of World War II memorabilia. Make sure you explore the rebuilt A24-30 Catalina Flying Boat or go underground into the secret Communication Bunker, where you can gain an understanding of the importance this base held during the war.

## 2 Lake Boga Foreshore

The foreshore offers a wide range of amenities for visitors and locals alike, an early morning stroll or ride along the walking track, barbeques, playground, toilets, camping at the back of the lake and even a jetty for fishing.

## 3 Kibworth Park Alpacas

Just off of Lake Baker Road, Kibworth Park Alpacas breeds fine high quality Grey Huacaya Alpacas and sells their 100% Australian grown and produced Alpaca Products.

## 4 Story Wall

Built in 2000, the Story Wall is one of six national symbols of reconciliation in Australia. The artist and designer, Zhuo Xiaopingm incorporates the essence of the region, the land, the water, the People, depicting their cultures, histories and ways of working, onto this stunning hand cut glass mosaic sculpture.

## 5 Steam Engine Pump

Known as the 'Cannie Ridge Pump', this steam driven pump was originally installed in 1903 at Long Lake, adjoining Lake Boga, as a source of supply for drought-stricken farmlands. In 1955 it was relocated to this site as a historical memorial.

## 6 Lake Boga Caravan Park

The park caters for all sizes of caravans and RV's, there is also permit camping available around the back of the lake. A small fee applies please check with Reception.

## 7 Lake Boga Painted Silo

Completed in December 2023, artist Tim Bowtell showcases the region's history and environment, while also highlighting the various recreational activities like water skiing and sailing, along with a prominent pelican, set against a picturesque Lake Boga sunset.

## 8 Community Garden

Started in 2016, the Community Garden is slowly growing into a very pleasant, relaxed area you can enjoy with the family and is the location of a weekly get together on Monday mornings.

## 9 Commercial Hotel

The hotel houses a wonderful collection of old photographs showing Lake Boga during the war years. Lake Boga's first general store was located on the site where the hotel lounge is now and was called Carr and Blenco. The cellar still remains under the lounge.

## 10 Lake Boga Township

The centre of the township boasts a small shopping precinct accommodating your essential needs, along with walking trails, BBQ facilities, public toilets, football ground, tennis courts, skate park, Equestrian Centre, Community Centre, Primary School and playground.

## 11 Round Lake

Situated on the west side of town is Round Lake with it's rare fish, the Murray Hardyhead and a variety of birdlife. Black swans are often seen on the lake.

## 12 Lake Boga Cemetery

## 13 Chasney Estate

Just a short drive from Lake Boga, this olive and lavender plantation is located in Tresco on Grant Lane. They also have on offer two tiny homes that can be booked for the perfect short stay.

## 14 Lake Boga

The lake has a capacity of 37,794ml and covers approximately 3km in diameter. The lake attracts many visitors who enjoy camping, boating, water skiing, swimming and fishing and is the location for the annual Easter Regatta event.

## Bike and Walking Track

There is a 4.3km active pathway along the lake foreshore. The sealed path provides the perfect environment to explore the area by foot or bicycle. There are a number of BBQ facilities, rest areas, amenities blocks, etc.
