- **Bronze Certificate** complete 5 of the 10 map sections
- **Silver Certificate** complete 7 of the 10 map sections
- **Gold Certificate** complete all 10 of the map sections

### Walk the Yorke 'Sections'

The 'Completed Sections' (listed on page 2) are based on the detailed topographical maps available for purchase. The maps are beneficial for serious walkers, but are not required for the certificate application. If you wish to complete the sections without a map, refer to the 'start' and 'finish' towns on page 2 of this form – and follow the yellow 'Walk the Yorke' signs.

### Order of Sections

The sections can be completed over any period of time, on non-consecutive days, in any order and in any direction. Simply record all start and finish times/dates spent on each section until all parts of that section have been covered. Attach additional pages if required.

### Walking or Cycling

The sections can be completed by walking, cycling or a mixture of both. Record how you travelled each section.

### Qualifying for Certificate

The Walk the Yorke Certificate have been developed as a souvenir and is awarded based upon the information provided. Each certificate is assessed separately – eg. if a bronze has been awarded previously, please include all information again when applying for a silver or gold certificate. An electronic copy of the certificate will be sent to the email address provided.
