A location that's hard to miss

We sit directly on the pedestrian route between Perth City Station's main exit and ECU's new City Campus, which opened in March 2026 with 10,000 students. New external signage installed on 26 June 2026 makes our entrance and outward-facing screen more visible from the station forecourt. In July and August combined, door visits totalled 5,877, up 17% on the same months last year.*

Perth City Station is the terminus of the Airport Line, which recorded 5.6 million boardings in FY25 (Public Transport Authority WA). Our outward-facing screen faces the station forecourt and runs 24 hours a day.†

Great value

Packages start at $200 a month for website banner advertising, or $400 a month for a 15-second slot on our digital screens. Your slot plays 747 times every weekday (697 on weekends) across our three screens.

* The WA Visitor Centre opened in July 2025; FY26 was our first full year of operation. † Figure covers the entire Airport Line and is provided as context. A direct walk-past count for our screen is not yet available.
