HERE'S TO THE GOOD LIFE

WINE COUNTRY WEDDING GUIDE

WINECOUNTRY.COM.AU

HERE'S TO A HUNTER VALLEY WEDDING

Wedding with a hearty dose of the good life? The Hunter Valley is the stuff dreams are made of with clear skies, starry nights, breathtaking views of rolling vineyards and countryside, and the country's most spectacular winery wedding settings.

Choose your wedding whim. A vineyard, a quaint country chapel, or a romantic garden setting full of flowers. Perhaps a sandstone church or the structure and poise of a formal garden is more your thing. Say I do in a wine barrel hall, in front of a medieval fireplace, or on a simple hillside, soaking up the view. The day is yours, and whatever you choose, the Hunter Valley provides the perfect stage to tell your special story.

And don't expect a bossy wedding planner with a rule book; we work with you (and your support team – wherever they are located) to design themes and experiences that enhance your vision, from the setting right down to

the little, but important details that make this wedding distinctively you.

The Hunter Valley may be one of the most sought-after spots for weddings – but that doesn't mean we are out of reach – you'll get great value over a range of budgets. So celebrate in unrivalled style with a wedding that is shared and talked about for years to come.

Our location, our flexibility, and our homage to the good life draws so many brides and grooms to choose a Hunter Valley wedding story.

Make it your story too.
