## WELCOME

Hunter Valley Wine & Food Festival, presented by Wine Selectors, is back for 2021.

Curl up beside an open fire, warm yourself amongst outdoor firepits, enjoy hearty reds, and lazy lunches that roll into dinner, celebrated under the crisp winter open skies. As our vines go into hibernation, we invite you to awaken your senses and join us on a journey of discovery through this diverse wine and food destination.

The 2021 Hunter Valley Wine & Food Festival is proudly supported by Wine Selectors and has been organised by the Hunter Valley Wine & Tourism Association.

## WINE & FOOD TRAILS

The Hunter Valley is so diverse in so many ways. But if the thought of 150 cellar doors to visit seems overwhelming - don't panic - there's a number of unique wine trails you can explore while in Wine Country. And with only a 40 minute drive from the top to the bottom of the region, you can experience different trails or completely immerse yourself in just one - choose another for the next day, or for the next time you come back for some more wine and food therapy.
