Those who fall within revenue categories A-B, can purchase add-ons including tiles/listings.

Members can choose to purchase optional add-ons, including a tile on the website at \$400+GST and/or in the Regional Guide at \$400+GST. Purchase of a tile automatically gives you a directory listing however, if you don't purchase a tile, a directory listing add-on in the Regional Guide and on the website can be purchased at a total cost of \$300+GST.

OPTIONAL PAID DISPLAY ADVERTISING

This is an optional additional benefit to further enhance promotion in the Hunter Valley Regional Guide. Paid display advertising in the guide is only available to members of the HVWTA and VIC.

FAQs - FEES

REVENUE BASED FEES

Please include total BAS declared sales at G1 on your BAS returns for the full 2020-21 financial year (Q1-Q4).

Revenue should be included as part of your Revenue Based Fees if:

- \checkmark Your business sells or provides services in the Hunter
- ✓ Your business relies on visitation to Hunter Valley Wine Country
- ✓ Your business relies on the sustained success of the Hunter Valley Brand for revenue. For example, you are a business that sells a product, or sells products to a third party for distribution sale or export, that is either grown, made, or produced inside or outside of the Hunter

Revenue from any business selling Hunter Valley or non-Hunter Valley products, that is located nationally or internationally outside of Hunter Valley Wine Country should not be included.

If your business owns or operates a number of businesses within Hunter Valley Wine Country across different locations, you do not need to have a separate membership for each business, as long as they are all under the one registered business name as it appears on your BAS.

If each part of your business lodges a separate BAS, you will need multiple memberships for each business that you lodge a BAS for. You may choose to purchase additional listings to ensure all of their products and services are represented on the website and in the Regional Guide.

EXAMPLES OF HOW TO CALCULATE YOUR MEMBERSHIP FEE

EXAMPLE 1

Top Stops & Co. have accommodation and a tour company. They report their BAS under this business name. Their total declared sales (annual revenue) as reported on their BAS at G1 on their four 2020-2021 Business Activity Statements was \$96K. Therefore they select revenue bracket A which includes a directory listing only on website and in guide. \$500 revenue bracket A

- + \$210 GST
- = \$2,310

Add-ons purchased to include all 3 of their business operations adding in 2 tiles on the website at \$400+GST each and 2 tiles in the guide at \$400+GST each.

TOTAL MEMBERSHIP FEES

\$2,000 revenue bracket E + \$1.000 advertising fee

- + \$800 website tiles x 2
- + \$800 website tiles x 2 + \$800 visitor guide tiles x 2
- + GST \$460
