WINE VARIETIES

The Hunter Valley produces less than two per cent of Australia's wine, yet lays claim to some of the industry's oldest and most well-known winemaking families, and consistently produces an impressive, award-winning array of varieties and styles.

SEMILLON

The Hunter Valley sets the world benchmark for Semillon, and it is, both nationally and internationally, the most highly awarded variety produced in the region. In its youth, it is zesty, bright with lemon/lime aromas and flavours, and has a delicate acidity to finish – perfect for fresh seafood. Those who are prepared to wait are rewarded with complexity – biscuit, malt, honey and toasty richness.

CHARDONNAY

Typically medium to full-bodied in style, Hunter Valley Chardonnay is characterised by peach, fig and tropical fruit-like flavours with crisp and fresh unwooded styles, and full-bodied, rich and fulfilling wooded styles.

VERDELHO

A style unique to the Hunter Valley, Verdelho, customarily made without oak, is a fruit-driven medium-bodied wine.

SHIRAZ

Shiraz is undoubtedly the most important red variety in the Hunter Valley. Regionally distinctive, it is medium to full-bodied, characterised when young by blackberry, mulberry and plum characters, as well as spice, chocolate and liquorice with the characteristic regional earthy, leathery tones and complexity developing with age.

OTHER VARIETALS

Our hero wine icons – Semillon, Shiraz, Chardonnay and Verdelho are supported by up and coming European varieties such as Tempranillo, Sangiovese, Barbera, Montepulciano, Fiano and Vermentino which are thriving in the Hunter climate.

A number of specialty wines, including organic, sparkling, fortified and dessert wines, are also produced. No matter what your preference, you'll always find a style to share and enjoy in the Hunter Valley.

SCARBOROUGH WINE CO. 2021 CELLAR DOOR OF THE YEAR

HUNTER VALLEY LEGENDS & WINE INDUSTRY AWARDS

Sponsored by Wine Selectors, The Cellar Door of the Year award recognises excellence at a Hunter Valley Cellar Door.

At Scarborough Wine Co. it's not just about making wine, it's a way of life. Scarborough Wine Co. has been producing its unique style of wines since 1987 and is one of the few Hunter Valley only producers. Specialising in Chardonnay but also producing other traditional premium Hunter Valley varieties, such as Semillon and Shiraz, Scarborough has established itself as one of the leading wine producers in the Hunter Valley. In more recent years Scarborough have released the Offshoot Range which features Verdelho, Vermentino, Chardonnay, Off-Dry Semillon, Rosé and a Red Blend. This range showcases contemporary Hunter Valley styles and varieties.

In 1990, Scarborough Wine Co. released their first Chardonnay, the 1987 Yellow Label. From its conception, Scarborough made the commitment that their range of wines was to be from only Hunter Valley fruit. Scarborough Wine Co. has remained true to this philosophy of producing wines that reflect the terroir of the vineyards they are sourced from.
